

PUBLIC NOTICE

ONLINE LODGEMENT PLATFORM FOR MANUAL SERVICES

The Business Registration Service (BRS) transitioned to an online lodgment platform on manual.brs.go.ke for all manual services to enhance service delivery and improve efficiency.

The Service hereby notifies the public that lodgment of physical documents at the Companies Registry or through e-mail is discontinued.

The public is advised that during lodgment of the documents through the online platform, you will be prompted to make payment using the available online payment options, therefore payments shall no longer be received through the **BRS PAYBILL NUMBER, 655650** or **BANKER'S CHEQUE** for any service rendered.

BRS will continue to take feedback and improve the system following this transition. The Service has developed a user guide manual accessible on www.brs.go.ke.
